2018

[jaquarlighting.com](http://jaquarlighting.com)

The Jaquar Group was built on the platform of the highest quality standards, aesthetics and with the intent of providing world-class products. Conceived way back in 1960, the Jaquar Group is an undisputed market leader in the organised bath fittings category. Jaquar is India's most trusted bathing fittings brand, controlling 60% of the branded market in India. It has a sizeable global presence in the highly complex markets of Europe, the Middle East, Africa and South East Asia. The three key facets of the Jaquar brand are: passion for technology, high quality products and unmatched customer service.

# Jaquar Lighting

Jaquar Lighting ensures that every lighting product reflects Jaquar's impeccable record of superlative quality and painstaking attention to detail.

Whether it is LED Bulbs, Tubelights, Chandeliers, Landscape Lighting or Track Lights, Jaquar Lighting's LED solutions are created with a commitment to Energy Efficiency, Quality and Durability, Aesthetic Design and Customer Service.

It is a commitment powered by Jaquar Lighting's impressive list of capabilities:

- Its own NABL Accredited Laboratory for in-house testing
- All luminaires tested in accordance with latest standards for LM
- A wide range of testing equipments for thorough quality check of the products
- In-house lighting design team located at HO and at Regional Levels
- Professional lighting design software to match global standards
- Compliance with the most stringent quality standards

Jaquar Lighting's primary focus is to sustain a world class design standard, achieve the best quality in its products and offer cutting edge services apart from regular innovation and energy efficient solutions.

# Outdoor Lighting

Jaquar Lighting, an amalgamation of the most admired and desired lighting products, presents the most comprehensive range of high quality outdoor lighting products. Unparalleled and beyond compare, Jaquar's lighting products are carefully monitored at each and every step, right from the manufacturing process to the final delivery of the products. That is because Jaquar seeks to fulfill customer needs as well as anticipate future market needs and trends, an effort which has enabled us to achieve constant growth in an increasingly competitive market.
