

Chandeliers stand for grandeur of your home. The perfect multilayer crystal chandelier can setup the design context of your entire home.

A crystal chandelier is great amalgam of material and design. The design sensibility of Philips and material assurance of genuine crystal in each of the products ensures that the products stays new and retains its shine for many years and so does your house.

With Le Cristal, Philips takes lighting into a different league. A league where art, design and technology come together to create an experience that lives up to the tastes of people.

Philips has a nice assortment of crystal chandeliers to match your taste and sensibilities.

The refined art of elegance, now in a new light.

Decorative wall lights are as essential to Indian homes as the home themselves. The choice of decorative wall is an extension of the overall décor and design language that the house stands to convey. A great wall light not only complements but also elevates the entire milieu and mood of the house.

Philips has a vast collection of wall lights for all moods and designs.

Have a look at the range and you would definitely pick one for your abode.

Spots are a great addition to your indoor home lighting. They do multiple jobs of wall washing a highlighted area or focusing light source for some specific purposes like reading or just being there as a decorative fixture.

Philips offers spotlights in many designs and finishes. The range keeps expanding all the time.

^{*} Not Included

Other than the functional requirements of lighting and security, Outdoor lighting truly goes beyond illumination. Outdoor lighting defines the silhouette of the home, the very character of it.

The right combination of design and placement can elevate and take the outdoor experience to an entire next level. The texture and vibrancy of the walls, the garden and the greenery, the fountain and everything else can be accentuated with the wide variety of archetypes available.

Philips lifestyle offers widest variety of Outdoor collection in all design languages. The lasting look and performance of these luminaires are a testimony of great design, sturdy build, and impeccable finish.
