

B Assured Profile

B Assured Pvt. Ltd Company offers wide arrays of complete and qualitative services through our well trained and expertise personnel as a One Stop Solution in Nepal. With its establishment, we are focused in providing tailored services as per the need and requirement of our customers through application based platform which is named as **Bassured**.

B Assured Pvt. Ltd is a company that offers wide arrays of complete and qualitative services through our well-trained and expertise personnel as a One Stop Solution in Nepal.

Bassured app is a platform which enables the customer/users to find the services which they want. Services provided by B Assured are of various types like Security Service, AMC of Electrical, Plumbing & Carpenter work to companies, Outsourcing & Recruitment, home services like AC service and repair, Pest Control, Yoga trainer, Fitness Trainer, Dietician, Salon at home, Massage, Haircut, Electrician, Plumber, etc. Time and again we face the problem in getting equipped manpower such as electrician, carpenter, plumber, security guards at one call. So, with keeping that on mind, we are here to address the issues from households to large business houses by providing efficient and superior customer service at minimal cost on time. Assurance is the only core value which governs the entire operation and services of our organization and aims to meet the customer's expectation and requirement and map the best solution that suits their needs. We provide high variety of services through the help of self-motivated, highly equipped, and trained personnel to our customers.

If you look at the complexity of wires, they are somewhere similar to the complexity of human life.

Not sure about life complexity but for your wiring issues:-
