THE OREL PORTFOLIO

Orel has a wide portfolio of global brands that span across businesses like Electrical, Lighting and Digital Infrastructure.

ENERGY ENHANCED

At Orange Electric, we provide solutions in the sphere of energy with special attention to design and efficiency.

CONNECTING THE WORLD

At Signamax, we offer complete end-to-end Network and Connectivity Solutions to Industrial, Commercial, Medical and military sectors.

SMARTER HABITAT

At Qbus, we develop products and technologies that turn homes, offices, hotels, factories and even hospitals into smart buildings complete with smart solutions for convenience and energy saving.

ELECTRICAL BUSDUCT SOLUTIONS

Superbar offers world-class low voltage electrical Busbar Trucking Systems to meet the ever demanding and complex global requirements.

BUILDING A GREENER FUTURE

At Orel e3, we develop solutions that can help create a brighter, cleaner future by reducing energy consumption, minimizing water and maintenance costs and help reduce carbon footprints.

TRANSPORTATION AT A CLICK

OrelGo is an app based taxi and delivery backing solution that's convenient, economical and brings you safely to your destination.

SEAMLESS MOBILE PAYMENTS

OrelPay allows users to link their bank accounts and credit cards with the OrelPay mobile app and carry out transactions by simply scanning a QR code.

ONLINE SHOPPING CONVENIENCE

Orel Store is a one stop unmanned online store that offers the Orel portfolio of products at timely specials with island wide delivery

REDEFINING ENERGY *Reimagining the future*

At Orel, we are dedicated to create innovative and of outstanding quality infrastructure products with a vision to Empower Humanity by creating a brighter, cleaner and smarter future for everyone across the globe.

Orange Electric provides revolutionary solutions in the sphere of energy with precise and detailed attention to design and efficiency. Our product line includes Batteries, Home Appliances, Allied Accessories, Switches, Sockets, Wires, Cables, Circuit Breakers, Plugs and Connectors. What's more, we also create a range of industrial products that cater to Cable Management, Switch Gears, Enclosures, Busbar Trunking, Power D/Boards, Energy Optimizer, Generators, Solar, Elevators and Electronic Robots.

DRIVEN BY INNOVATION POWERED BY TECHNOLOGY

At Orel Corporation, we are passionate about lighting up the way to a brighter, better future. It is our everyday effort to combine our expertise and our imagination to create products that don't just add value but also bring more value to the consumer's life.

The Orel legacy is built around the foundation of our core strengths- Innovation and Technology. We believe in moulding our people to be respectable individuals imbued with principles of simplicity, honesty and candidness.

VALUES AT OREL

Our values form the backbone of our company. Everything we imagine, design and create is based on core values. We believe in perseverance, to be able to do things with determination. We are enthusiastic about what we do and patient about getting desired results. We understand hard work is a long journey, but we aim to tread on that path with Honesty and Integrity. We are eager to learn through experience and can't wait to redefine the future.

WE ARE

Orel Corporation
AND THIS IS WHAT WE STAND FOR.

YOUR SPACE REFLECTS YOU

Our spaces are a mere extension of our personality. The way we design our spaces tells a lot about our own character and personality. Today we don't believe in making any compromises when it comes to designing home interiors. We want only the best. So why stop at electricals?

The Ayoka range of electricals seamlessly adds sophistication and style to your spaces. Its intelligent range of switches are designed not just to bring more comfort and ease into your life, but also enhance your space and your personality.

AKOYA

LIGHT UP TODAY AND TOMORROW

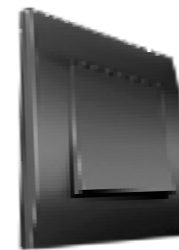

Designed to complement your sophistication, the Akoya range of electric switches is a definitely a cut above the rest. Get impressed by its super sleek panel that is sure to blend seamlessly and perfectly into your space without a hassle. You will be amazed by its intelligent design, not just by how perfectly it fits in every space, but also the way it enhances your interiors. Designed to bring you spaces to life, the exquisite Akoya range offers everything from dimmer controllers, TV, telephone, data and USB outlets, key cards, shaver sockets and additional features like Do Not Disturb and Make my Room options. SO, go ahead, light up your space with AKoya and light up your future.
