10 Year Warranty

The Company undertakes to replace or repair products at its discretion, should they become defective solely as a result of faulty material and or workmanship within 10 years in the case of electro-mechanical wiring products, such as unpainted/noncoated switches, sockets, plates, switches without indicators. 1.5 years in the case of mains related electronic wiring device products such as fan regulators, dimmers, switches with LED indicators Hospitality & communication modules including indicator Modules and one year in case of surface coated products like Distribution Boards, coated plates, metal plates

& metal boxes. Also one year in case of protection devices like MCB, Tiny-Trip, Motor Starters and RCCB. The guarantee will be invalidated if the product has not been installed or maintained in accordance with the Company's instructions, or if any attempt has been made to rectify, dismantle or alter the product or if the products are not accompanied with purchase bill/s or warranty card. The guarantee states the Company's entire liability. It does not extend to cover consequential loss or damage or installation costs arising from the defective product.
