SWITCH TO STYLE

Contemporary collarless design

Protective spark shield

Terminals shrouding for greater protection

double fitment for enhanced safety

Stylus+ comes with the benefit of dual fitment mechanism, which facilitates by holding all the modules firmly onto the base frame. This system ensures extra safety for user. Designed with high finish and aesthetics, the Stylus+ range offers plates in Gloss, Matt White and Metal finish.

Features and Benefits

- Elegant collarless design:** Collarless design adds beauty to the switch module
- Dual mounting mechanism:** All modules can be affixed on the base frame with screws and snap both to provide strong fitment
- Front loading and unloading:** Easy to maintain – no need to open complete assembly
- Best surface finish:** High grade virgin thermoplastic which provides excellent surface finish and protection
- Switch plunger made of thermoset plastic:** Thermoset provide high degree of protection as it doesn't melt or catch fire on heating
- Protective spark shield:** Protective spark shield arrests the arc within the switch housing whereby safeguarding the user
- Terminal shrouding:** Switch terminals are shrouded to provide greater protection
- Pen free:** Special arrangement in the socket design enables pen free use for 2 pin plug

Click-on Mechanism

Perfectly engineered click-on mechanism supports rapid installation

Easy to Use

Cover plates are designed with special notch on the side to aid fast and easy detachment

Locator

Two guiding points on the product act as guides and help in easy alignments
